## Our Services

At Sheridan Worldwide we believe that how you manage the change will determine how your brand is perceived, both internally and externally.

- People, processes and policy
- Leading wellbeing well
- The identity-centred leader programme
- Connected teams
- Judgement and curiosity
- Hidden difference, hidden talent

## Dovetailing People Processes & Culture: A sustainable and inclusive framework

1. Moments that matter
2. Talent management
3. Belonging and inclusion
4. Culture narrative

*The two days were expertly led by the Sheridan team, who struck the perfect balance of vision, strategy, inclusive leadership and team bonding.*

## Our Services

Our range of wellbeing solutions are designed to offer you choice.

### Digital wellbeing

Access to a tried and tested thriving digital platform which supports people individually and collectively, from any location.

### Coaching for wellbeing

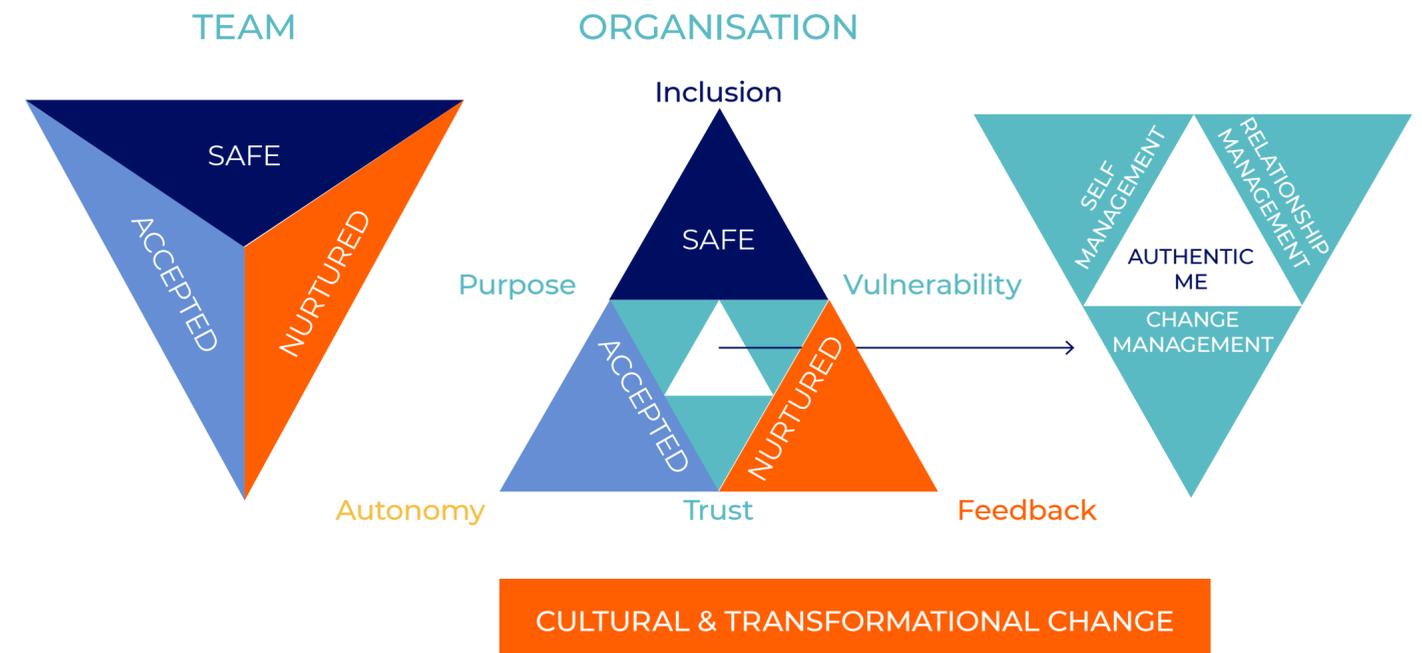

Provided by our global faculty of coaches to support you bounce back quickly from crisis and be stronger as a result.

### Mental Health First-Aid

We provide this training and awareness workshops which teaches your people how to spot the signs and symptoms of mental ill health.

## How We Do It

Well-being should not be a tick box exercise; it needs to start from within

### Leading self

The emphasis here is on the self, especially the inner landscape of identity, self-acceptance, values and beliefs, purpose and goals.

### Leading others

It is important to look outside at stakeholder relationships, influence and impact, inclusion/exclusion, working with difference.

### Leading change

Exploring resistance to change and resilience with a special focus on strategic planning and personal development.

About us

# Brilliance Realised

The world of work is facing ever more demanding and complicated challenges from both outside the business and within it. Facing and adapting to them is hard. Taking your best people with you is harder still, but vital, if your organisation is to flourish. We can help your leaders to overcome those problems and translate their vision into reality.
